Motion for New Trial For Burgman Weighed By Judge Holtzoff

District Court Judge Alexander Holtzoff has under advisement a defense motion asking a new trial for Herbert John Burgman, 55, former clerk at the American Embassy in Berlin, who was convicted of treason by a jury on November 15.

The motion for a new trial was argued yesterday by Defense Attorney William E. Owen, who was associated with Attorney James J. Laughlin in defending Burgman at the trial. Mr. Owen explained Mr. Laughlin was engaged in a case in Alexandria, Va. Burgman, reported ill by Attorney Owen, also was absent.

Attorney Owen questioned jurisdiction of the court in the case, contending that, under the law, Burgman should have been tried in the territory first flown over rather than the place where the plane bringing him from Germany had landed.

Attorney Owen further argued that introduction at the trial of recordings of Burgman's Nazi propaganda broadcasts, made during World War II, was illegal under the Constitution, since it amounted to having Burgman testify against himself.

The attorney also argued that Government employees should have been excluded from the jury which tried Burgman because of the very nature of the offense of treason.

The motion for a new trial was opposed in behalf of the Government by Victor C. Woerheide, special assistant to the Attorney General.

Burgman was found guilty of 13 overt acts of treason, involving Nazi propaganda broadcasts from Berlin during World War II. No date has been set for sentencing.

PETALUMA, Calif. (P)—The high school athletic field was the scene of the usual parade of mas-
